

FUTURE-READY FINANCE OPERATIONS TO ACCELERATE TRANSFORMATION FOR PBSA COMPANIES

Enabling Transformation

Reduce Accounting Cost-per-bed |
Optimise Operations | Improve Your NOI

Building a world-class finance department demands significant time, money, and resources, which can challenge student accommodation businesses during M&A, rapid growth, or the start up stage.

QX helps you set up and run robust F&A operations that streamline processes, foster innovation, and future-proof your finance function. With QX, clients gain:

- › Access to a deep talent pool of qualified property accountants
- › Process reengineering and PBSA industry best practices
- › Implementing high-impact software and automation

WHAT OUR CLIENTS SAY: DRIVING GROWTH AND SUCCESS WITH QX

Enabling Transformation

“QX has enabled us to grow quickly. We would have struggled to recruit so many people in such a short period within the UK accounting market. Partnering with QX was a fantastic way of giving us additional resources to support Greystar’s growth.”

Managing Director of Finance, Greystar Europe

“It is very rare to find a relationship of an outsourcing company for over ten years. There’s an enormous amount of gratitude from everyone at Fresh for what QX have provided the last ten years. QX has really added value to Fresh’s back-office processes which are consistent, reliable and accurate.
